Re: Freedom of Information Act Request
Our File No.: 124414-186999

Dear Madam or Sir:

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting access to the following records.

1. All communications between the EPA and Graham Ford Power Products regarding engine emission.
2. Any public record regarding any request for approval of a Graham Ford Power Products engine under engine emission regulations.
3. Any public record regarding a denial of a Graham Ford Power Products engine under engine emission regulations.
4. Any public record regarding a request for a Graham Ford Power Products engine to be exempted from engine emission regulations.
5. Any public record regarding compliance of a Graham Ford Power Products engine with engine emission regulations; and
6. Any public record regarding notification of failure by Graham Ford Power Products to comply with engine emission regulations.

Portland, OR 503.222.9981 | Salem, OR 503.540.4262 | Bend, OR 541.749.4044 | Eugene, OR 541.686.3299
Seattle, WA 206.622.1711 | Vancouver, WA 360.694.7551 | Washington, DC 202.488.4302

7. Any public record wherein Graham Ford Power Products self-reported the failure of its engine to comply with engine emission regulations and any public record regarding subsequent corrective action.

A copy of Certificate of Conformity Number EGRHB06.8LPG-001 issued to Graham Ford Power Products on 4/22/2013 is attached hereto for reference.

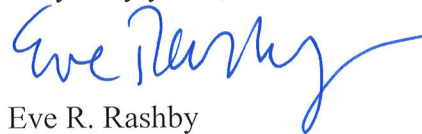

For purposes of this request the term "engine emissions regulations" includes, but is not limited to, 40 CFR 1068 et seq. It is likely these records will be at Site Division: Headquarters and that EPA employee Anne K. Wick (202-564-2063) would be of knowledge on how to find the requested documents.

For the purpose of assessing fees, I am affiliated with a private business and am seeking information for use in the company's business. I am willing to pay fees for this request up to a maximum of \$500. If you estimate that the fees will exceed this limit, please inform me first.

I request that the information I seek be provided in electronic format, and I would like to receive it on a computer CD or DVD, or by email if the size of the file permits.

Please contact me if you need additional information about this request. Thank you for your time and assistance

Very truly yours,

Pursuant to Section 213 of the Clean Air Act (42 U.S.C. section 7547) and 40 CFR Part 60. 1065, 1068, and 60 (stationary only and combined stationary and mobile) and subject to the terms and conditions prescribed in those provisions, this certificate of conformity is hereby issued with respect to the test engines which have been found to conform to applicable requirements and which represent the following nonroad engines, by engine family, more fully described in the documentation required by 40 CFR Part 60 and produced in the stated model year.

This certificate of conformity covers only those new nonroad spark-ignition engines which conform in all material respects to the design specifications that applied to those engines described in the documentation required by 40 CFR Part 60 and which are produced during the model year stated on this certificate of the said manufacturer, as defined in 40 CFR Part 60. This certificate of conformity does not cover nonroad engines imported prior to the effective date of the certificate.

It is a term of this certificate that the manufacturer shall consent to all inspections described in 40 CFR 1068.20 and authorized in a warrant or court order. Failure to comply with the requirements of such a warrant or court order may lead to revocation or suspension of this certificate for reasons specified in 40 CFR Part 60. It is also a term of this certificate that this certificate may be revoked or suspended or rendered void *ab initio* for other reasons specified in 40 CFR Part 60.

This certificate does not cover large nonroad engines sold, offered for sale, or introduced, or delivered for introduction, into commerce in the U.S. prior to the effective date of the certificate.
